SURYA

At Surya, we believe lighting is more than just brightness. It's about setting the right mood, creating warmth, and making everyday moments special. As experts in functional lighting, we craft solutions inspired by your needs and perfected by the expertise of our engineers.

Energy efficiency is at the core of everything we do. We ensure that every home and business enjoys high-performance, quality lighting, whether it's Consumer Lighting, Professional Lighting, Consumer Durables, or even Steel and PVC Pipes.

Our tagline, 'Energizing Lifestyles', reflects how Surya fits seamlessly into your everyday life; brightening spaces, lifting spirits, and fueling dreams. And when you add cutting-edge technology into the mix, you get the perfect formula for a happy, welcoming home.

At Surya, technology is the backbone of everything we do. Our in-house R&D Centre in Noida, NABL-accredited and approved by DSIR (Department of Scientific & Industrial Research), fuels innovation, while our state-of-the-art manufacturing plants in Kashipur and Gwalior ensure top-notch quality across our diverse product range.

From LED Downlighters and Battens to Lamps, Street Lights, Flood Lights and more, Surya offers a wide variety of lighting solutions, including customized LED fixtures. Our Consumer Lighting team creates smart, efficient lighting designs that bring every space to life.

With our latest innovations, we empower the world to embrace energy conservation, environmental sustainability, and value for money. Because at Surya, we don't just light up spaces. We brighten lives with care and responsibility.
